## The Magic of our Celtic Wind Crops CBD Multi-Complex Hemp Oil Concentrate!

Our CBD Oil is made from Hemp, which is a variety of the Cannabis Sativa plant species that is grown specifically for food use. Cannabidiol\* or CBD for short, is one of 80 cannabinoids and is a major phytocannabinoid of Hemp. Accounting for up to 40% of the plant's overall make-up.

Our CBD Multi Complex Hemp Oil Concentrate is:

Derived from a targeted EU Certified Industrial Hemp variety and grown organically.

Cultivated in Ireland without using herbicides, pesticides, fungicides and is non-GMO.

Contained in its own original Hemp Oil. The ONLY CBD Hemp concentrate on the European market today!

Can be taken as a food supplement or applied directly to the skin.

Contains over 5% CBD and 1% CBG. Also contains hundreds of compounds, minerals and vitamins.

Is non-psychoactive, non-addictive and non-toxic. Just 100% natural and safe for anyone to take!

At Celtic Wind Crops we are proud to be:

One of the few companies in the whole world that grow, produce and sell our own product.

Producing a fully compliant CBD Hemp concentrate.

Vegan Friendly. Gluten Free. Organically Grown. 100% Natural.

\*Unlike medicinal products, that are derived from different varieties of Cannabis Sativa, with high concentrations of psychoactive tetrahydrocannabinol (THC), Hemp contains only trace amounts of THC and CBD Oil is therefore non-psychoactive.
